

THE FRED D. PFENING COMPANY  
DEDICATED TO THE BAKING  
INDUSTRY SINCE 1919

## Bulk Dry Ingredient Silo

The modern ingredient silo is much more than a simple container to hold material. This critical part of an automatic ingredient handling system must be durable, sanitary and easy to operate & maintain. Pfening provides bulk storage silos designed specifically for use in the food processing industry, fully outfitted and ready for use.

### Features

- Sanitary all-welded steel or aluminum construction.
- Skirted or legged designs
- Custom 63° angle discharge cone for superior flow
- Sealed manway with safety clamps
- Slide gate for ingredient retention
- Auto clean dust collector
- Discharge system (air slide or bin activator)

### Options

- Load cell scale system
- Ladder
- Crosswalk
- Cleaning cage
- Non skid roof
- Guardrail
- Explosion relief panels
